"It's about the future of kids!"

November 19, 2020

Dear Parents/Guardians,

Students have been working very hard and their continued dedication to learning is evident. We know that the progress being made despite the pandemic is due to the commitment of the wonderful teachers and parents working together to making the year successful. The online learning continues to be necessary currently. The virus continues to spread in the community; therefore our school will revert back to online learning. Based on the governor's order, students will need to return to NTI beginning Monday, November 23, 2020 until January 4, 2021. Thank you for your support as we make these difficult decisions and transition back to learning from home. All books and materials needed will be sent home with each student. Chromebooks will be distributed on Friday to those who signed one out previously.

Meals will continue to be delivered on the bus routes on Mondays and Wednesdays. (Monday only next week) Pick up of meals are available between 10:00 and 11:00 on those days. Please call the school if you wish to be added to delivery or pick up. Any completed work may be dropped off at the cafeteria side of the school any day from 8:00 to 3:00 in the box. Teachers will communicate with families if any items/packets of work need to be picked up and times will be given by the teachers. If this time is not convenient due to work schedules, please call the school to make different arrangements. Students should be online each day signing in on the teachers' attendance log and completing all work.

Thank you for your continued support as we work together to provide a quality education for our students. If we can help you in any way, please call the school. All teachers and staff are available each day on Google Classroom, Dojo, Remind, and email if you need any assistance with assignments or the technology. Please reach out for help during teachers' online hours of 8 to 3. We look forward to returning to in person classes on January 4, 2021. I hope everyone has a Happy Thanksgiving and a very Merry Christmas. We will see you in the New Year!!

Thank you,

Susan Elza, Principal (susan.elza@ebernstadt.kyschools.us)
Vicki Jones, Superintendent (vicki.jones@ebernstadt.kyschools.us)
