Please help your child organize the following:

*Please have pencils, erasers, glue sticks, crayons, Expo markers, put in their pencil bag or box with your child's name on the box.

*Please write Important Notes on the outside of the EB folder. This will be used for important notes, like newsletters, graded work, or anything that needs to be sent home to stay or returned to school. If you need to send me a note, this would be where you could put it so your child would know to give it to me. Please empty the inside labeled "Leave at Home" each day and if a paper is in the "Return to School" side, then it is homework or a paper for you to complete and return, so just leave it in the folder. We are working on helping your child stay organized this year and keep up with their work, so this will help a lot!

* On the Composition notebook write your child's name and Interactive Notebook on the outside (We will be using this all year to cut and paste important skills to remember).

*On the Spiral Notebook write your child's name and Writing/Spelling on the outside.

* Make sure your child's name is on their water bottle
